

Writer, advocate, and child sex abuse survivor Joelle Casteix

**“I was 16,
and he was
my teacher.
He told me
this was
love.”**

As an adult, Joelle realized it wasn't love—
and she wasn't his only victim.

When child sex abuse victims like Joelle are ready to speak,
the law should be ready to listen.

It's not too late for justice! Reform the statute of limitations for child sex abuse.

Pass the Child Victims Act now. [Join our petition.](#)
