

Is there **Elder Abuse** in **Your Neighborhood?**

Image for illustrative purposes only.

Older people can be vulnerable to neglect, abuse, and exploitation—even by relatives and others they trust. We can all do more to help. Check on your older neighbors to see if they are okay, listen to them, and help them stay safe.

If you suspect someone is being maltreated, find help via the
National Adult Protective Services Association at www.napsa-now.org.
