1. **Quick escape button.** Computer safety is a concern for victims researching domestic violence resources. This button takes the user to a basic website.

2. **Address Locator.** Once an address or a zip code is entered, the map will zoom to that location. This allows the user to locate the nearest victim services.

3. **Slider bar.** Allows the user to zoom in and out of the map. Once zoomed out, statewide agencies are displayed.

4. **Popup.** Displays contact information for each agency selected on the map. Available services for that location are also displayed.

5. **Service definitions.** Describes the “Available Services” found in popups clicked on the map.

6. **Spanish button.** Takes the user to the Spanish version of the interactive web map.

7. **Shelter list.** Provides a list of shelters in Arizona with links to each agency’s website.
